

Bulk Packaging Group

With Temple-Inland bulk packaging solutions, you can minimize expenses and solve problems throughout your entire packaging and distribution systems.

From innovative bulk packaging solutions like the QuickSet 4 with its auto-forming bottom, to bulk packaging experts who can help you identify cost-effective ways to solve the packaging and distribution issues that you may encounter, Temple-Inland has assembled all of the necessary resources to help ensure *your* success.

Whether you produce pumpkins, watermelons or other bulk commodities, Temple-Inland Harvest™ Bins deliver cost-effective, display-ready, durable and environmentally friendly bulk solutions to meet your specific packaging requirements.

Multi-color, attention-grabbing graphics. Sturdy triplewall construction. Front access panels. They're all available. From one source. **Temple-Inland.**

Think  **inside** the box.™
